The Torah Story

Deuteronomy 30:10-15

The first five books of the Bible are known as the Torah, or Pentateuch, and form the first major section of the Bible, giving us the story of creation to the formation of the Nation of Israel.

The Book: Distant Voices, Timeless Truths **A 10-Part Series**

The Bible is the book above all other books. Though it was written long ago, its truths are timeless. It spans multiple generations with spiritual guidance, moral principles, and historical teachings. But most of all, it tells of a faithful God and a Messianic hope that brings salvation and redemption to the world.
